

WARREN DOLLAR DAY BARGAINS, FRIDAY AND SATURDAY OF THIS WEEK, AUGUST 10 AND 11

Warren Observer

VOL. 8 NO. 35

WARREN, PENNSYLVANIA

Thursday, August 9, 1956

10 Cents A Copy

HOSTS FOR COMPETITION: The "Cornplanters", Chief Cornplanter Post 135, American Legion Drum and Bugle Corps, will be host to Class A competition in Warren Saturday, August 18.

This corps was organized by a dozen interested members in 1953 and has been self-supporting ever since, except for a few donations. Last season the "Cornplanters" made 23 appearances and already have performed nine times this year. The people of Warren will have an opportunity to see this corps perform when they give an exhibition at the contest Saturday evening.

State Promises To Consider Flood Problems

Assurance that both the Indian Hollow Run and Glade Run flood problems will be given immediate consideration was promised a local delegation when it met with officials of the Pennsylvania Department of Forests and Waters in Harrisburg last Friday.

At that time R. I. DeBell, borough engineer, presented to the state group the history of floods on both runs, as well as drawings and information suggesting possible solutions of the problems. The state board, headed by Dr. K. M. Goodard, secretary of the department, requested certain additional engineering information.

The projects submitted at the meeting were for permanent flood control and should not be confused with the present emergency stream

A CONEWANGO AVENUE extension youngster takes a look at what water did to the bridge near the Walker residence. It was also washed away in the recent flash flood.

clearance work being done by the department. Work was started on the emergency project at lower Glade Run August 3 under the supervision of W. S. Dolzell, assistant district engineer of the Department of Forests and Waters.

In attendance at the meeting besides Mr. DeBell were Senator L. E. Chapman, Assemblyman A. M. Gibson, Councilman James Frantz and Borough Manager G. A. Geraci-mos.

CAUSED EVACUATION. Some Hackney Meadow residents had to be evacuated early Monday morning when the Conewango Creek came up rapidly and flooded certain sections. This is the road running to the North Warren dam.

BEWARE. This situation exists on Conewango ave. ext., just across from the Howard Boyd residence. It becomes more treacherous with each rain fall. Motorists, beware!

"Parking" Highlights Retailers' Meeting

J. K. Krimmel, campaign committee chairman, reported to the Warren Retailers Monday night that \$4,860 had been raised toward the \$10,000 goal to finance downtown parking in Warren. The campaign is being conducted for the parking authority to aid in its efforts to provide more off-street parking in the business district.

While the authority has been working with borough council on a number of locations for additional parking, the initial funds will be used for turning the YMCA tennis court on Liberty st into 32 parking spaces. The court will be used for tennis during the summer months.

The campaign committee has been contacting downtown businesses to raise the necessary funds. The new deadline is August 20.

In addition to installing parking areas to relieve the situation in the business district, the parking authority is also discussing the possibilities of making one-way streets and widening downtown streets where possible.

Red Cross Again Assists Flood Victims

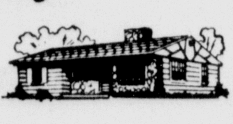

Red Cross disaster funds are being dipped into again as a result of the flash floods that hit the Warren area during the past two weeks. Over \$12,000 was disbursed for rehabilitation during the March flood and it is expected the recent occurrences will amount to as much as three or four thousand dollars for assistance.

By Tuesday, the final date for receiving applications for assistance, 10 requests had been filed. These were presented to a citizens committee which met this morning for consideration for approval.

Red Cross assistance is a gift to families and small businesses unable to recover with their own available resources from the affects of disaster.

Because of the latest disasters, Chairman Ralph E. Sires has called a meeting of chapter activities chairmen to plan closer coordination of chapter facilities at times of such occurrences.

Plenty of Zip at a pip of a price

(It's a great time to buy a Buick!)

SERIOUSLY—where else can you get so much snap and ginger at such a peach of a price?

Where else can you get a big, high-powered, steady-riding hardtop like this '56 Buick Riviera—at a figure that's pretty close to what they're asking for similar models of the well-known smaller cars?

Nowhere else that we know of—which is one big reason why Buick outsells all others cars in America except two of those smaller cars.

BUT RIGHT ALONG with low price is something else behind Buick's big success: Buick is a lot more automobile for the money.

It gives you more room and luxury—more zip and power thrill—fine handling and sure-footed stability.

And it gives you something you can get in no other car—today's advanced new Variable Pitch Dynaflo.* It's

the only transmission in the world with the cruising thrift and the switch-pitch safety-surge taken from the modern plane's propeller.

So WHY WAIT any longer—when the time to take action is *now*, so you can start enjoying all the golden months of summer and fall in a new '56 Buick?

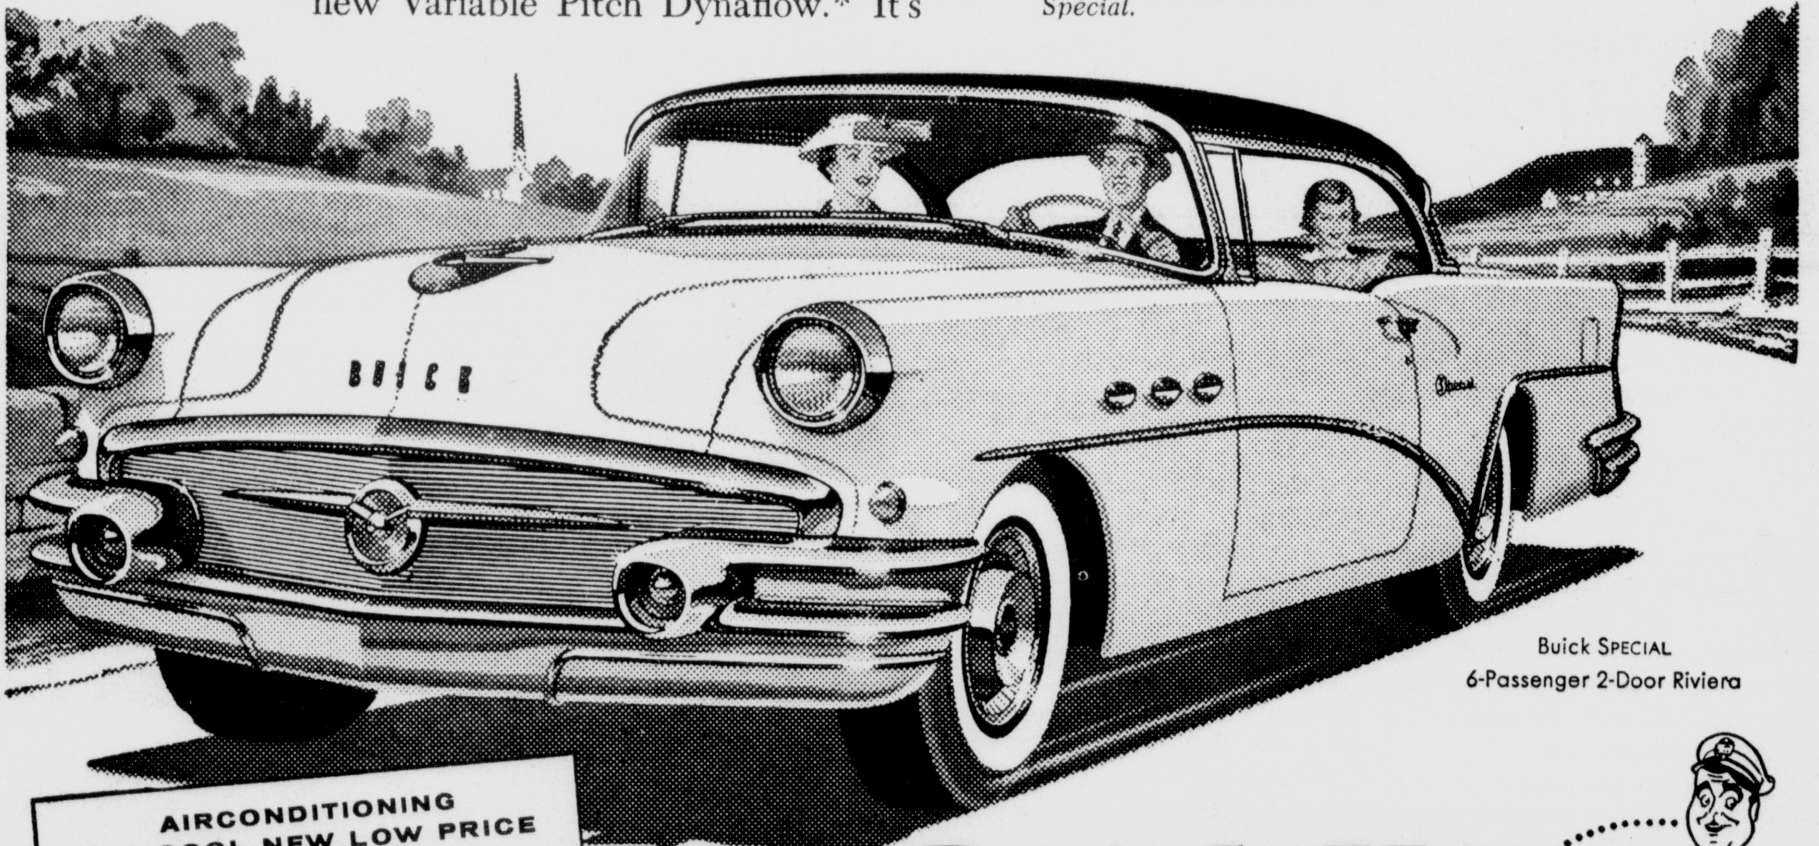

Now—when Buick prices are as low as—perhaps *lower* than—they'll ever be again.

Now—when your present car is at its peak of worth—and when today's high volume '56 Buick sales permit us to make you an even better trade-in allowance.

Come see us—and look into the car that puts you years ahead *right now*.

Come see us today—and discover the dilly of a deal that will make you wonder why on earth you waited as long as you did.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

"BLACK KNIGHTS", VFW open class national champions from Lock Haven, will be among the top Class A corps to meet in competition in Warren August 18.

The event, which is being sponsored by the local American Legion drum and bugle corps, will be held

under the lights at War Memorial field and will feature All-American judges.

Tickets for the competition can be purchased at the Style Shop for \$1.75, reserved seat, and \$1.25, general admission.

ITS THE LAST half of the last inning, score tied, a three and two count on the batter, and a man on third base. The issue is now between the pitcher and batter. The pitcher steps on the rubber, gets set and delivers. The pitch is a

dandy and the batter knows it. He swings mightily. Did he hit and win the game for his team or did the pitcher strike him out? This is only one of baseball's thrills, many of which happen every day in the Warren Hot Stove League.

BID FOR CHAMPIONSHIP. This is the Betts Machine team that is making a bid for the Hot Stove Intermediate league championship. The Machinists currently are assured of a tie for the second half, pending the outcome of their next game with Industrial Oil of Clarendon. A win would place the two teams together again for the league title, Clarendon already owning the first half honors.

On the team are (l. to r.) first row -- Ed Cummings, Joe Castagnino, Rech Cummings and Blair Smoulder; second row -- Nicky Creola, Victor Suppa, Joe Massa, James Carbon, Dick Rosenquist and Dick Tutarro; third row -- David Pring, John Tassone, Vincent Toscano, Jack Suppa and Manager Don Cummings.

CAN'T MISS. Steve Allen was doctored up with a device for every golf weakness by Professional Redman last Thursday evening on his tv program. The gadgets provided a straight arm, a steady chin, a close right elbow, a solid left wrist, gloves that assured a proper grip and prevented breaking at the top of the swing. Steve did everything in the get-up except hit the golf ball.

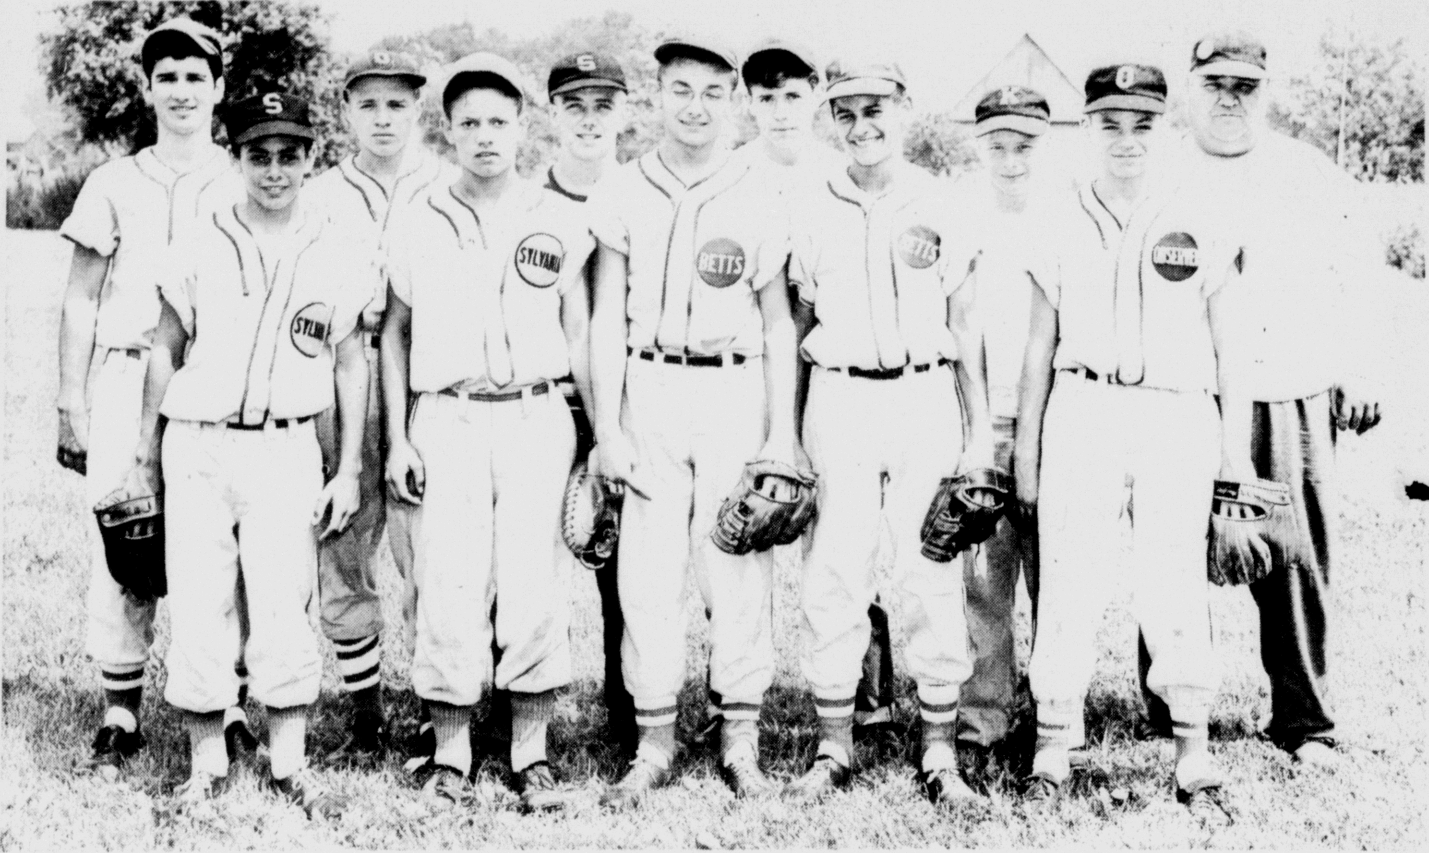

CHARLES E. WILSON

Secretary of Defense, Charles E. Wilson, will deliver an address in the Chautauqua Amphitheater Friday evening, August 10, at 8:30 p. m.

OVER 100 PEOPLE attended the ninth anniversary celebration of the Fago Beauty Salon July 23. Miss Frances Fago, proprietress, is seen in the foreground surrounded by many of her friends who were on hand to greet her on the occasion. (Photo by Gordon Mahan)

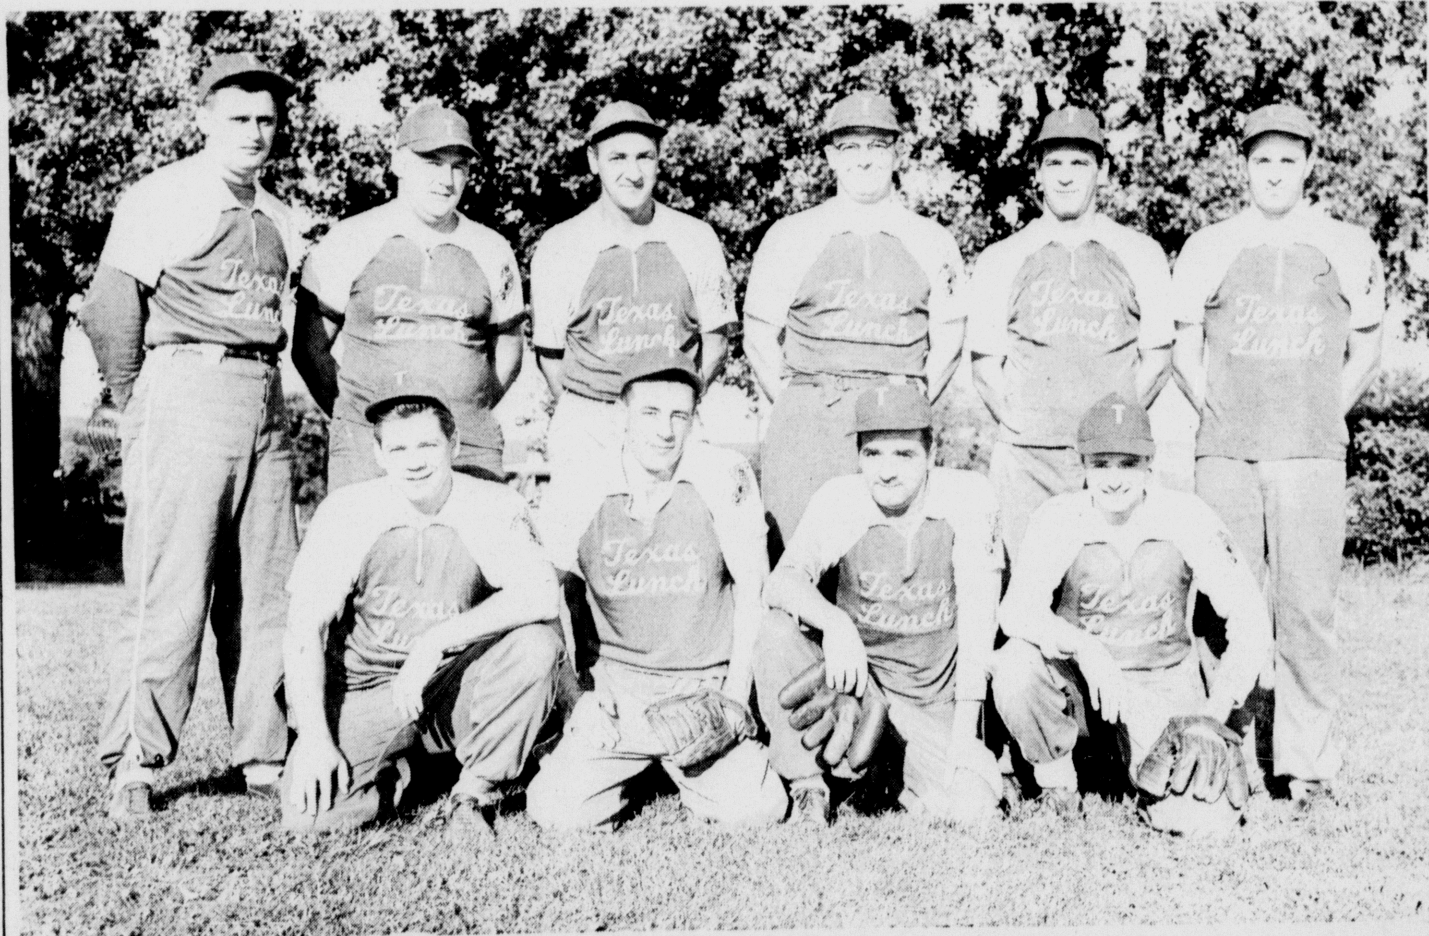

HOT STOVE ALL-STARS. One of the ten Hot Stove all-star teams that will appear in the Kiwanis Club's program this Saturday is the Intermediate loop city division. On the squad are (l. to r.) John Tassone, Harold Kane, Fred Henry, Ray Kane, Bob Haslet, Jack Suppa, Kelly McCool, Nick Creola, Dick Terry, Craig Johnson and Manager Don Cummings. Dave Grady and Don McKelvey are not pictured.

OUT-OF-TOWNERS. Jones Chevrolet is the lone county team in this season's City softball loop. On the Sheffield squad are (l. to r.) kneeling -- John Hoden, Fred Johnson, Jack McAvoy, Bub Johnson and

George Bires; standing -- Mike Steffan, Dick Grubbs, Bob Fitch, Steve Hoden, Clyde Farnsworth and Fran Fitzgerald. The mascot is Mike Steffan, Jr.

FORMIDABLE FOES. Always tough on the diamond is the Texas Lunch softball team. In this City softball aggregation are (l. to r.) kneeling -- Bob Harrison, Harold

Brown, Monk Murphy and Hud Bertine; standing -- Bob Hammerbeck, Warnie Check, Louie Check, Perk Cameron, Bill Brown and Fran Masterson.

BUYERS' CORNER

LOOK FOR A BILL

Some of this week's issue of the Sheffield, Tidioute, and Youngsville editions have special dollar day coupons inserted in them. This has been done by the Warren Chamber of Commerce and not by the publisher. About one in ten are receiving the coupons which are worth a dollar on dollar days.

EARN'S AWARD

Doris Fleeson whose column is sold exclusively to this paper in the immediate area, and which is used many weeks, has received the Woman of Achievement Award. This has been given by the Soroptimist Club to seventeen women.

500 WOMEN

The change in the social security law which makes monthly payments available to women when they become 62 will affect 500 of them in Warren and Chautauqua counties. However, do not contact the district office in Jamestown. The last we knew it had not received operating instructions concerning the change.

GAS PROSPERS

Those considering the applications for higher gas prices should be interested in the continuing rise in gas stock prices. At the end of July the price index for natural gas common stock prices set a new all time peak. It was 9.2 per cent above the comparable period in 1955. The average dividend is \$1.74 per share, which is a gain of 7.4.

The big jump in this industry may be seen in the gas transmission common stocks. Taking ten leading stocks, they have increased from a value of \$45.15 a year ago to \$51.21, and are paying dividends of \$2.05 as compared with the \$1.86 of last year.

AFTER ANTIBIOTICS

The high price of the so-called "wonder drugs" has aroused the curiosity of the Federal Trade Commission and it has started an investigation of antibiotics and the reasons for their high cost to the consumer. The FTC is seeking information on production, sales, patents, and other data relating to supplies and price.

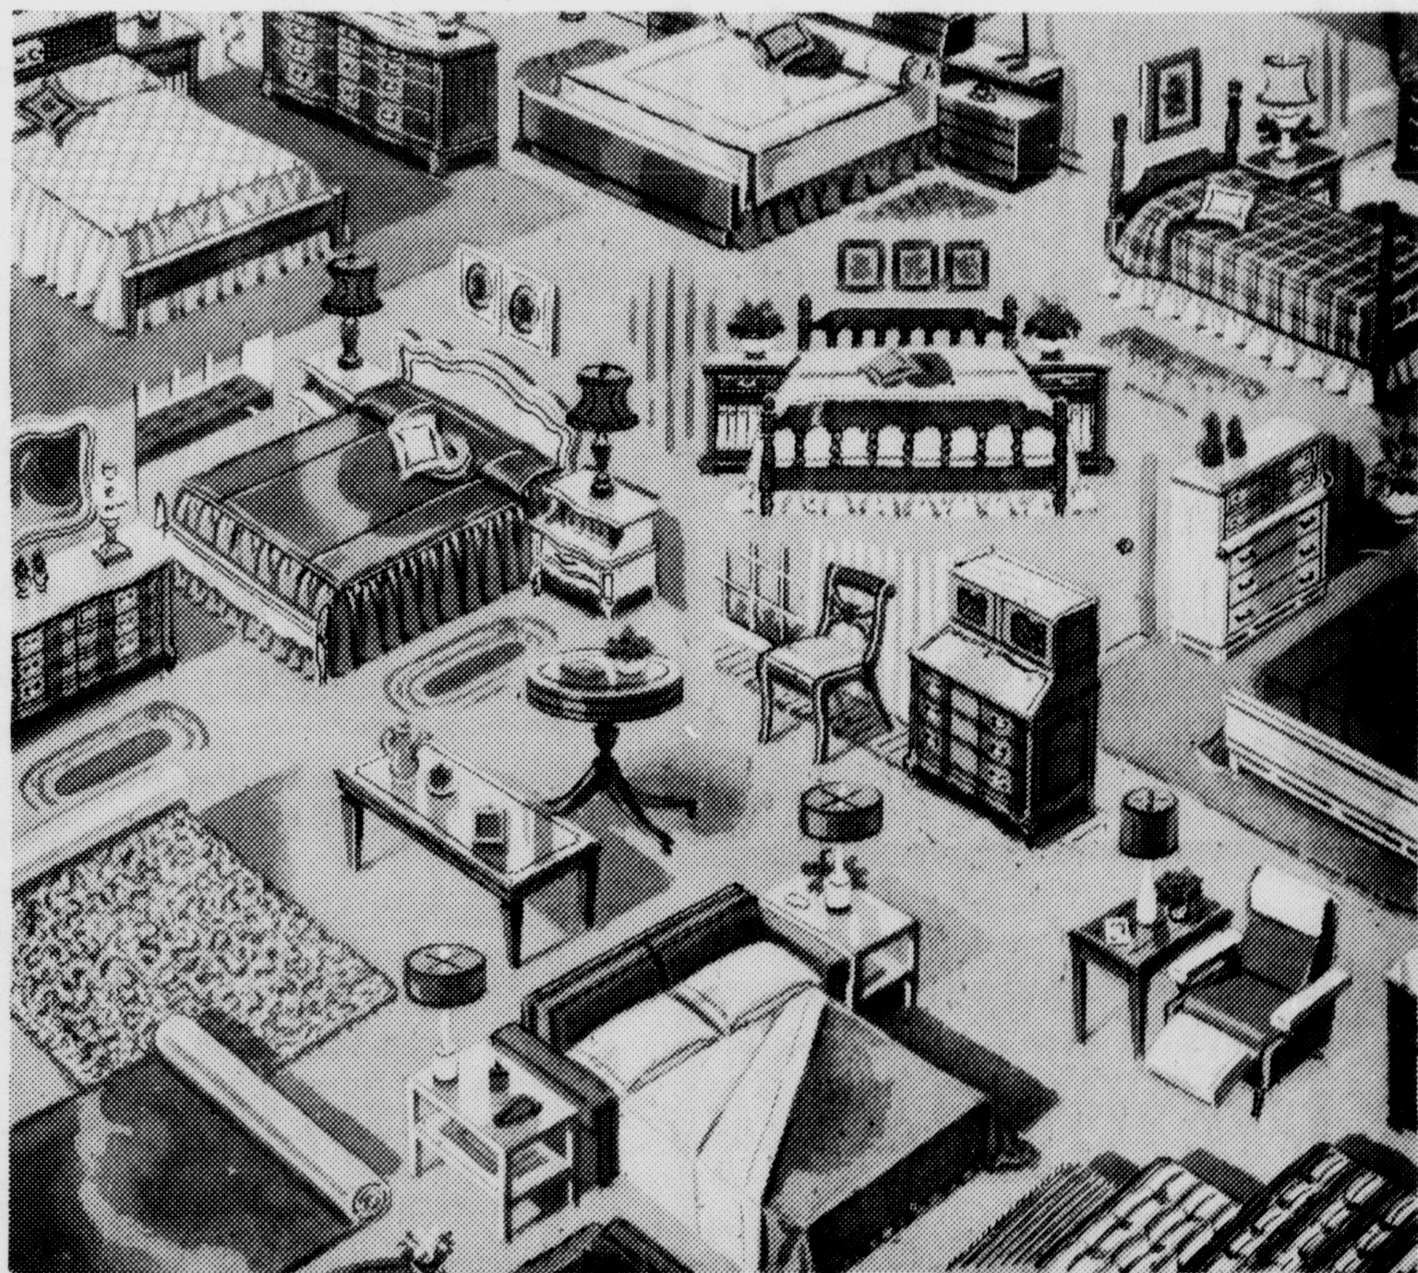

The Commission has stated that antibiotics are more potent against a variety of diseases than any drugs previously known, and substances produced by antibiotic manufacturers have unique value as food and feed supplements.

FOOD DISCRIMINATION

The Federal Trade Commission also is making a drive against illegal discriminations in prices and services by large food stores and their suppliers. Promotional allowances and cooperative advertising made to some and not to others are among the violations sought. The Robinson-Patman Act makes both the buyer and the supplier liable for discriminatory practices which give advantages to some and not to others.

BOYCOTTS ATTACKED

Eleven major canners have been ordered to not join in an illegal boycott of Canary Growers, Inc., a co-op representing tomato producers in the Ohio area.

The co-op was organized in 1950 to serve as the bargaining agent for the growers in negotiating tomato contracts with the canners who had handed individual growers

a take it or leave it proposal in price discussions.

Companies named include H. J. Heinz Co., Campbell Soup Co., Stokely-Van-Camp, Inc., Bauer Cannery, Inc., Foster Canning, Inc., Hirzel Canning Co., Hunt Foods of Ohio, Inc., Lake Erie Canning Co., J. Weller Co., and Winorr Canning Co.

ARTHRITIS BOOK REFUTED

The book, "Arthritis and Common Sense" is not as claimed in ads, says the FTC. It is not an adequate treatment or a cure for all kinds of arthritis and rheumatism. The system in the book also is not an adequate treatment for even the symptoms of these diseases, says the complaint.

COOPERATION BY 80% of the Warren County Democratic Committee was evident when (left and right) Robert E. Clark, of Youngsville, and Chester R. Walker, of Clarendon, were chosen as co-chairmen at an organizational meeting on Friday evening. The compromise was suggested by the temporary chairman, Louis Rosenberg, (center) who represented the Democratic State Committee.

The co-chairmanship scheme was designed to bring peace in the Warren County Democratic Committee which has been in chaos since petitions were filed prior to

SHOT WHILE RESISTING ARREST

THREE ARRESTED. What started out to be the quiet arrest of one man early Tuesday evening turned out to be a real fracas. The defendant, Milo A. Robishaw, Jr., 21, is now in the Titusville hospital recovering from a gun wound and his parents, Mr. and Mrs. Milo A. Robishaw, all of R. D. 2, Titusville in Southwest township, are cooling off in the Warren County jail house.

The whole affair occurred when Constable Mantford Vroman called at the Robishaw home Tuesday to take the younger man into custody on two charges of passing bad checks and another for larceny.

When the constable attempted to haul the young man away, he broke away and headed into his home where the law officer figured he was going for a gun. After a warning he shot the man in the thigh.

The mother and father then interfered in the rumpus and came out on the short end of the deal. The local constable subdued both, and they are now in the county jail for aiding their son in resisting arrest.

Art Show Winner

A woman artist from Warren, Mrs. Wendell Kahle, 216 Biddle st., won third place prize in the amateur contemporary trends--water color for her "How Does Your Garden Grow?", in the fourth annual Bestor Plaza Art Festival at Chautauqua on August 4.

The festival is sponsored yearly by the Chautauqua Art association.

the Spring primary election. Each chairman is to name three members of the executive committee and a secretary or treasurer.

Others elected Friday evening included the following vice-chair

positions: Helen Long, Kathleen Walker, Gifford Quiggle, and Earl Capron.

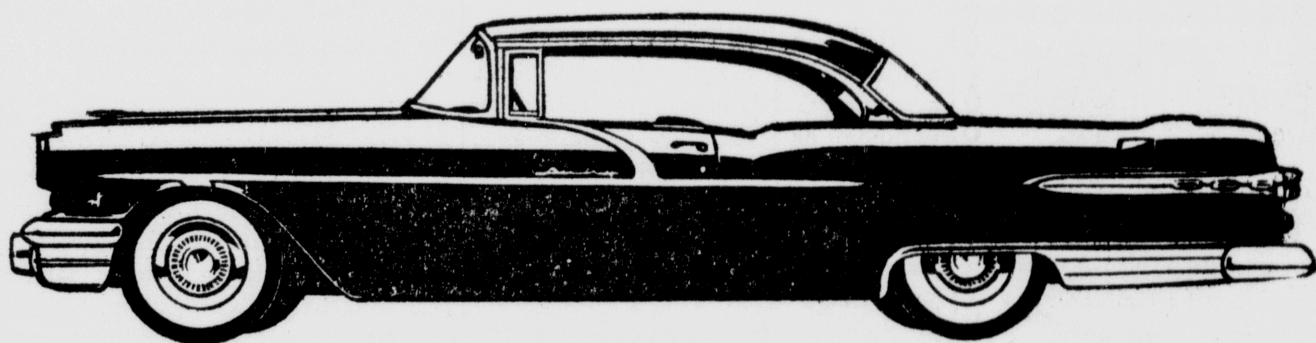

For the first time in the memory of local Democrats a coalition organization has been formed. The

solution was agreed upon only after the voting for Clark and Walker had deadlocked at 50 votes each for two consecutive ballots. The temporary chairman, Louis Rosenberg, is an Allegheny County attorney.

In Brief

ABOUT \$300,000 in receipts were totaled up for timber sales and land uses on national forests from July 1, 1955 to June 30, 1956, according to E. M. Bacon, supervisor of the Allegheny National Forest. This total is \$87,000 higher than the previous fiscal year.

Over ninety per cent came from the sale of forest products, with the total growing consistently each year. Though it will be thirty years before the forests reach their full potential as far as wood products are concerned, the improvement is regular and the watersheds are benefiting increasingly.

UP FOR DISCUSSION. The airport situation in Warren will appear on the agenda again this afternoon when the borough's building and grounds committee meets with the Chamber of Commerce airport committee. The subject, "What's going to be done?"

Of added interest at the meeting will be the presence of Bud Maier, well-known local flying enthusiast. Mr. Maier and Melvin Barron, of Cleveland and a native of Warren, are interested in learning what the future holds in store for the Warren port. The Cleveland man has operated airports in Ohio and is currently doing instruction work.

WHAT A MESS. A train, three autos and a bicycle figured in an accident that occurred at 1:15 p.m. Saturday on East st. near Fifth ave.

According to reports the New York Central train was going south and hit the rear of a parked car owned by Kenneth L. Palmer, 101 Conewango ave. The Palmer auto in turn hit the back end of a car owned by R. M. Coulter, Sheffield, sending it onto the tracks into the path of the train.

Things continued to happen as the Coulter vehicle was shoved into the third car owned by John A. Erickson, Drexel, Pa. In all the commotion, Tommy Yerg, 16 Fourth ave., was hit by one of the cars while sitting on his bike and received a bruised left leg. H. D. Cook was the train engineer.

Total damage was estimated at \$500.

\$700 DAMAGE RESULTED when Rodney Bennett, R.D. 1, Warren, piled his auto into the rear of a car operated by Vincent J. Monahan, Punxsutawney, at 4:14 p.m. Saturday. The latter had stopped for the traffic light at the intersection of Pennsylvania ave. and Parker st.

WINS SCHOLARSHIP. Miss Rebecca Munn, former Warren high school student and recent honor graduate of Miami, Fla., Jackson high school, has been awarded a four-year, full-tuition scholarship to the University of Miami as a result of her placement in the college board examinations.

In addition to this scholarship, Miss Munn has received a music tuition award from the WVCG radio station in Coral Gables, Fla. She won the award in the radio's piano scholarship auditions and appears on the July cover of the Good Music Magazine receiving the prize.

Miss Munn studied piano for seven years with Dr. LeRoy B. Campbell at the Warren and Miami conservatories.

THIS SUMMER'S READING program for children in the Warren Public Library came to a close last week with a party in honor of all the boys and girls who participated in the storming of the castle. During the game's six-week period, 73 children read and gave brief reports about books selected from the library shelves.

Prizes went to Barbara Gross, 221 Main ave., and Jack Daelhausen, 16 Crescent st., for reading 50 books each, and to Susan Walls, 29 Glenwood st., and Dennis Cogswell, 224 Canton st., for reaching the castle first in the game.

INDUCTEES. Seven men left Warren Tuesday night to report for induction into the armed forces at New Cumberland on Wednesday. The group consisted of Edgar T. Rockwell, leader, John P. Haser, Jr., Martin J. Kasaback and Donald E. Labesky, all of Sheffield; George W. Callahan, Ridgway; Albert T. Kondak, R.D., Clarendon; and Arthur C. Olson, R.D., Youngsville.

AN ORDER ISSUED by Judge Alexander C. Flick, Jr., states the jury which has been drawn for August 13 has been continued until the first Monday in October. Therefore all persons concerned should now appear for jury duty on Monday, October 1, at 10:00 a.m.

OFFICERS ELECTED. Warren State Hospital Local 469 has elected these officers to serve during the ensuing year: Charles Hagan, president; Henry Swineford, vice president; Raymond B. Anderson, financial secretary; Henry Maciak, recording secretary; and Millard Baxter, trustee for two years.

A LONE CAR ACCIDENT happened at 8:15 p.m. Saturday, when Clifford Lucas, Olean, N.Y., went off the road one mile south of Tidioute. Damage amounted to \$600 and a passenger, James Schreckengost, Olean, was slightly injured.

THREE TEXAS PEOPLE were treated and discharged from Warren General Hospital Monday afternoon after becoming involved in a two-car accident just east of Youngsville on Route 6. Lee Belknap, Lubock, Tex., and Harrace Hagg, R.D. 1, Youngsville, were both travelling east and pulled out to pass at the same time. The former wound up in a ditch and rolled over. Injured were Mr. Belknap, Mrs. Ethel Belknap, and their baby, Kurt. Damage was figured at \$800.

go ahead and
DREAM!

Day-dreams — about a new home, a new car, about major appliances that make your work easier, or maybe about that Real Vacation—they're the stuff that progress is made of! So go ahead and DREAM—and then do something about making your dreams come true. Making dreams come true is our business. We work at it every day. For most "dreams" are simply hopes and plans that at some point require money. There's no better, no cheaper place to get the money to realize your dreams than right here at the Bank. Why not start making your dreams come true—tonight!

STILL TIME

The summer is floating away in a swift current. So damp has been much of the precious time that many plans have not been completed by many of us. Now is the time to review those plans and to decide which ones you want to carry out. August may be a better month than you think.

There still are good programs to be enjoyed at Chautauqua. The Stratford Shakespearean Festival continues, augmented by top foreign movies, a symphony orchestra, and a survey of jazz. Better hurry on that last one. The Ontario city will present the Oscar Peterson Trio and The Modern Jazz Quartet on August 10 for the last time this summer.

The Kiwanians present their all-star Hot Stove games this coming Saturday on Memorial field, with two teams from each of five leagues meeting each other. As the day wears on the boys get bigger. Your appetite also may get bigger, and the Starbrick ladies will see to it that you are fed.

A week later the Legion will make up for the hole in this year's Fourth of July celebration by presenting a drum corps contest on Memorial field. This will bring in some of the crack units, most of whom have been enjoyed here before.

The golfers will give Les Sheldon's course its first major work-

out for tournament action when the Kinzua Valley Golf Course holds its first annual event, with three flights, August 25. There should be a fair entry. And if you haven't tried Les Sheldon's course, there certainly is time left.

If you missed your trout fishing, the fish commission has been kind. It has been extended to September 15. And you can fish for them until November 30 in Chapman dam lake.

Maybe you always have wanted to try the river for one of those big ones. We pictured a northern pike on these pages taken by a Pittsburgh angler not long ago. He caught it near Starbrick. There are many more up and down the river. Get out the lures and hook a pike, lunge, or lively bass. All of them are in the Allegheny.

If the camera is your pleasure and you have been discouraged by the many dark days, or dark days on the few you have had free, why not try some dark day shots? Get some tri-x for black and whites. You will have plenty of light on the average day, and even the dark ones will get you pictures.

And don't lack confidence in this fast stuff. It will produce pictures in any reasonable light. Photographically you are keeping a record. Why miss the summer's activities just because the sun is bashful?

Every one of us has some things he wants to catch up, like reading, or sorting personal belongings. Maybe you have been going to put those old pictures in order, mark them, file them, identify them before they get too old. Make the most of a rainy day, keep busy and the next time you look the sun may shine.

The fact is we don't believe in letting rain stop us from doing anything we plan. The strange part is that usually we manage to do it despite threatening skies. Even in a season when it rains almost every day, it does not rain every minute. It is surprising how much fun you can have between showers.

If everyone stayed home this summer when a cloud was peeking over the mountain we would have our answer to highway accidents. No one would be out.

A rainy season reveals your optimists and your pessimists. The optimist and the person with initiative will get things done somehow, weather or no weather. The pessimist will hide behind the storm door if the weatherman two days ago predicted it was going to rain.

We often have thought there was a lesson to be learned from dark skies. Those who do not turn back, but carry out what they have planned no matter what the horizon threatens don't miss very much. Those who read trouble in every fleecy cloud always find trouble whether it is there or not. Their very pessimism and constant fretting makes problems where they don't exist

"Always Good"

And you may be surprised but there are areas where it is too bright. We asked a friend who just returned from a vacation in the west how he liked California. He hesitated a minute, then said it seemed good to get back where the sun doesn't shine all the time.
A happy man!

\$1,000

in merchandise during August Dollar Days
This Friday and Saturday, August 10 & 11 in Warren

Be sure and read this newspaper page by page. You may find a **GIANT DOLLAR BILL** inside. If so, take it to any store in Warren participating in **AUGUST DOLLAR DAYS** and exchange it for one dollar's worth of merchandise. That's right folks — 1,000 **GIANT DOLLAR BILLS** are being distributed in Warren County and each bill is worth \$1.00 in merchandise at the Warren Dollar Day stores. Look for the stores displaying the Dollar Day posters and the "big bills" in their windows.

AND THAT'S NOT ALL

While you're in town shopping, watch for the **MYSTERY WOMAN** — she'll be giving away more **GIANT DOLLAR BILLS** while you visit the Dollar Day stores in Warren. Nothing to do — just take the **GIANT DOLLAR BILL** and redeem it for \$1.00 in fine merchandise at any Dollar Day store. Good only this Friday and Saturday during Warren's annual summer sales event. Visit each of these value minded stores:

The POLITICS OF IT

DONKEYS KICK AND CHEW

The Warren county Democrat organization may not be getting leadership but it certainly is getting publicity. Nothing new came out of the meeting held Friday under the supervision of state officers. The vote still was 51 to 50 favor the anti-Papavero group. But one proxy was not notarized and was thrown out. This left it a tie.

After a long evening of debate and ruffled feathers, the leaders of the respective factions decided to approve a co-chairman arrangement. This means that Bob Clark, of Youngsville, and Chet Walker, highway superintendent, of Clarendon, will co-exist as heads of the county organization.

The fact that Walker is holding an appointive office is not consistent with Democrat policy as stated to one gentleman who desired a similar arrangement. He was told he couldn't have both.

But the Democrat organization certainly has the right to make its own rules and to make exceptions thereto. However, it does place them right alongside the Republicans who make no bones about paying their chairmen off with good political plums. One recent GOP chairman held both an appointive office and an elective one.

STASSEN KEEPS TALKING
 They aren't stopping Harold E. Stassen who keeps plugging for a change in the Republican vice presidency nomination. He even has been given a leave of absence from administration office duties so that he can campaign against Richard

Nixon.

The strangest language of this business is that heard from many GOP leaders who say that Stassen is being disloyal. Since when has the practice of democracy classified one as disloyal in this country? We believe all Republicans have a right to speak out for their choices, either for the presidency or the vice presidency . . . and they should be doing so right now . . . even as Mr. Stassen.

NIXON BLOCKS REMODELING
 Many are convinced that President Eisenhower is running again because

of his belief that the Republican party can be rebuilt along moderately progressive lines. The Stassen action is seen as an effort to further this ambition.

The President seldom has stood toe to toe and slugged out issues with anyone. That must be done from the inside, quietly and smoothly. The Stassen maneuver is considered as a part of such maneuvers.

Obviously you can not rebuild the Republican party with such as Nixon. He is a young mask on a very old guard.

Observations

By Bob Walsh

THE SAINT WAS WRONG

We doubt if St. Swithin had anything to say about it, but whoever dreamed up his Day on July 15 and said rain on that date meant rain for the next forty days was all wet. Rain came last Saturday and for the first time this summer it was welcome. We actually needed it.

Since the cloudburst of July 26, water from above had been very much lacking. Any soil with a gravel content was exceptionally dry. Most of the cloudburst waters did not stay. They ran off to the ocean without soaking a grain of sand.

When rains came last week and the most unhappy ones were those out for pleasure and relaxation. The man close to the soil was happy about it.

However, we have had so much trouble with rain this year, and have seen so much water that any show of moisture makes most of us a bite blue, if not soaking wet. But we have much to learn from these experiences.

Twice we have had heavy rains and the Conewango creek has moved to flood stage. We want those who blame the creek for our heavy floods to notice this. The river has not flooded. It hasn't even made a motion that way.

We were amused by one newsman who reported as news the fact that the river had gone up three inches in two days. Obviously our news departments finally have become sensitive to the river and its fluctuations.

But what was most important about his announcement was the actions of the Conewango creek which was moving to flood stage while the river was rising inches. Obviously the creek did not budge the bigger stream very much. Certainly its own flood caused no flood in the Allegheny.

This has happened twice this summer and should be noted by those who constantly contend that a dam on the Conewango would stop the Allegheny from going berserk. The water from the Conewango is no help when we have Allegheny problems, but it is not the basic cause of those problems.

TAX SCREAMS

How wonderful to be an American! But how painful is its cost! How monstrous is democracy when we have to pay for it!

Last week the tax bills were drifting into area homes. You would think some foreign power had sent them. The moans and groans were soaked in bitters and smothered in anguish.

All this weeping developed while the average resident of Warren was being billed for less than \$200 to

provide him with a reasonably modern community and the services of a county government. This was less than \$4 a week. Many are paying less than \$3 a week. And we believe some will be found who are not paying much over \$2.

Would you pledge that much to have a city if you were living on a mud road, had no sewers, were not protected by police, had no fire protection, no playgrounds, no schools, no courts, no jails, no official records of deeds, births, wills, and other important documents, plus many more civic services?

We believe that under these circumstances you would pledge that much just to assure an education for your children.

We have a great nation, chopped up into states, counties, and towns, each with its part to play, and each with its part costing money. Every bit of it costs money. Ask the parent who lost a son in one of our recent wars if money is a small price to pay for freedom.

AND THAT IS WHAT YOU BUY

Freedom is what you are buying. Without the governments which our tax money makes possible we would have a type of individualism that could end only in tyranny. The

strong would survive. The strongest would rule. The world is full of examples, and history is loaded with them.

And so with the right of an education of our choice, and the right to select our vocation we earn a living and we pay a part of it to finance a free nation. With the education should come enlightenment and the knowledge that will keep us free.

For though it takes money and work to make the government efficient, it also takes much doing on our part to maintain our freedoms through a wise choice of officials and with a knowledge of the issues which confront those officials.

This applies locally as well as nationally. And so if you are unhappy about your local taxes, elect new officials next time. Defeat those school board members who have built new schools which already are crowded. Defeat those councilmen who have bought the few remaining open spots on which your children can play. Close up the playgrounds and put factories on them. Let the boys and girls play in the streets.

Who needs a policeman? Let volunteers fight the fires. Streets

cost too much to maintain. Let them go to pot. We can drive around the potholes.

If we have no cops we'll need no judge. If we have no judge we'll need no jail. If we have no jail we'll need no caretaker. If we have none of these, you better buy a gun. Two guns, and teach your wife to shoot.

Come to think of it, if we have no place to spend money we'll need no council. That's the fastest retrogression to the dark ages we've seen since grandfather stuck his finger in the fuse box and the lights went out. He wasn't accustomed to these new gadgets either.

He never did get past that fuse box. We can assure you that no matter how much you burn over those taxes, you won't be half as hot as grandpaw.

THEY SOCK 'EM. This West Side playground softball team really plays ball. The gals have showed their power by walloping Mulberry by a score of 70 to 7 and handed

Lacy a 19-13 lacing.

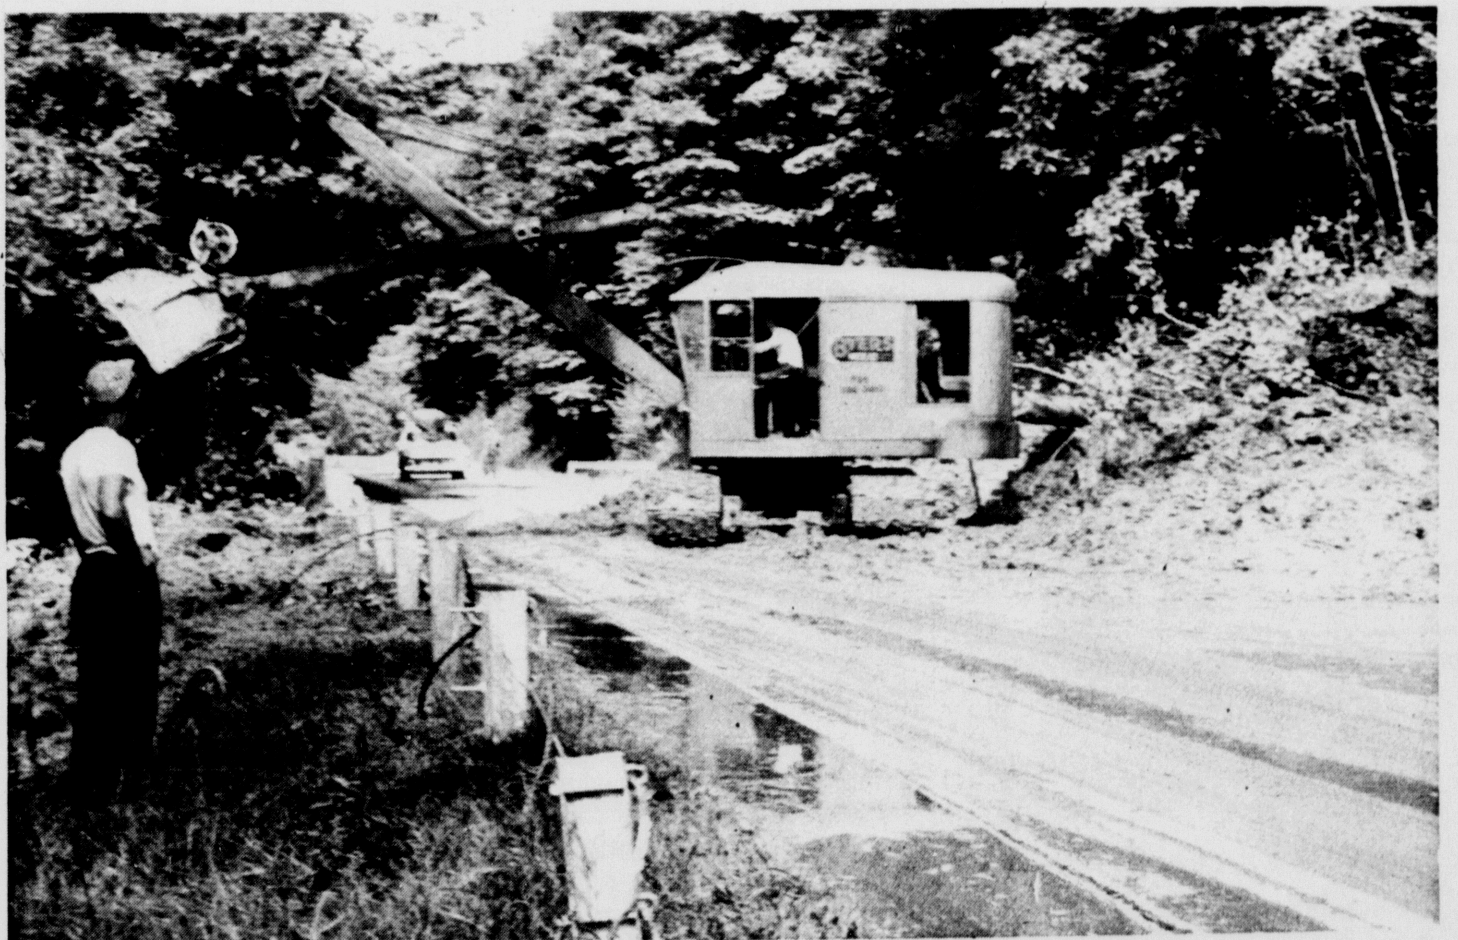

The team is made up of (l. to r.) front--Darlene Cummings, Marie Cummings, Karen Rosenquist and Joyce Cole; back--Mary Campagna,

Jean Massa, Vivian Hansen, Betty Anderson and Betty Cummings. Nancy Clapp, not pictured, is the manager.

THE LACY SOFTBALLERS are right in there fighting. On the team are (l. to r.) front--Patty Hagerman, Linda Owens, Nancy Owens and

Susan Thompson; back--Judy Hornstrom, Mary Blair, Diane Sharp, Donna Cooper and Melode Thompson.

A Slide On Route 62 between Tidoute and the Irvine bridge early Sunday morning closed the highway to traffic most of the day. Trees, rocks and several tons of earth

slid onto the highway about 2 a.m. following a severe storm. The road was impassable until 9 a.m. One-way traffic was maintained until about noon when the highway de-

partment arrived with heavy equipment to clear away the debris. Towards evening, normal traffic was restored.

FAIRWAY SHOTS

Warren golfers took Jamestown, Saturday, 25 to 20. John Carter led the scoring for Warren with 73. Vander Mollen, of Jamestown fired a 71. Skip Morine posted 75, Dr. Sedwick, 78; Heggis Schmidt, 81; Chuck Blackman, 82; and Bob Ritchie, 83. And we forgot to mention that Bob, who has been hitting them well lately, posted a 79 against Titusville. Several leading Warren golfers were rained out of their second nine.

In a handicap tournament held during the Jamestown match, Al Loranger used a handicap of 28 to win with a net 64. Howard Boyd with a handicap of 26 had 66. Skip Morine had 67, Bob Ritchie, Heggis Schmidt, and Dean Anderson tied at 69. Ted Erickson and Don Morgan led the Jamestown competitors with net 70's.

Al VerMilyea and Milt Dahler had a best ball of net 27 in the best ball of pair handicap tournament at the Conewango Valley Country Club last Thursday. It was plenty enough to give them a wide lead over three two-somes tied at 30, Harold Smith and Bob Alexander, Andy Paucek and Lou Wanner, Dean Anderson and Sam Rasmussen.

Today the competition is bet ball of four. Next Thursday it will be match play against par.

Qualifying for the Conewango Valley Country club championship must be completed this week. The deadline is Saturday. Play should start Sunday.

Les Sheldon's handicap committee says it has about fifty men expected to fire in the first annual tournament of the Kinzua Valley Golf Course, August 25. Needed are some first flight competitors. A few four-somes from the Country Club probably will sign up.

The annual golf tournament for Northwestern Pennsylvania newsmen will be held on Erie's Lakeshore tournament, August 27...Also up Erie way we see Dave Driscoll doing places. He is representing the area in the USGA Junior golf open. He is the son of Leo Driscoll, formerly of Warren.

JUNIOR GOLFERS

Despite bad weather, thirty young Country Clubbers batted the white thing around yesterday. Ross Kremer and Penny Barley led the group two players. Lane Donovan and George Loranger were the leaders in 3-A, Sally Newmaker and Chuck Schmidt topped 3-B swingers.

The group from 11 to 18 years will play host to Titusville next Tuesday. Following the golf there will be a swim and dinner.

Qualifying for the junior championships now is in progress. Friday is the last day to fire qualifying rounds.

LADIES GOLF

Helen Culbertson carved out a neat 89 to lead the women golfers this week at the Conewango Valley Country Club. She also had low net in the first division. Katie Fuellhart was second, Merle Donaldson led the second division, with Doris Hamilton second. Polly Schmidt topped the third, followed by Kay Walker.

The "mosts" tournament was won by Maude Blair who had twelve sixes. Doris Hamilton won in the second division, and Polly Schmidt won the third. Next week they will have a tombstone tournament.

Area Sports

ELKS WIN TWO

The up-and-down Warren Elks grabbed a pair of nice wins over the week end. At the State Hospital diamond Saturday afternoon the local aggregation blasted Marlin-Rockwell, 7-4, and then went to Jamestown Sunday to nip Art Metal, 9-7.

Fred Gray pitched a five-hitter for Warren against the Rollers, while at the plate Campbell and Reese clouted three safeties in four trips.

Gray was on the mound again Sunday, but received some help from Ken Thompson. The former also collected three hits, including a three-bagger.

WILD CATS BEAT ASHVILLE

The Ludlow Wildcats took the first of three make-up games scheduled with Ashville last Saturday by drubbing the New Yorkers, 23 to 7. These two teams will meet at Ashville again this Saturday and at Wildcat Park Sunday afternoon.

Basil Kulka's double and triple and a round-tripper by John Castagnino highlighted the Cats' fancy hitting. Jiggs Juban performed with seven-hit pitching on the mound. For Ashville, Jacobs was credited with the loss.

OUT FOR THE SEASON

Keith Holden, popular Ludlow Wildcat pitcher, is out of action with a broken right arm. The accident occurred July 29. He is a left hander.

PREPARE FOR GRID SEASON

Managers began laying out equipment this week in preparation for the opening practice of the 1956 Warren high football squad on August 18.

Physical examination will be given at the high school Wednesday, August 15, under the following schedule: 8:30 a.m., senior boys; 9:30 a.m., juniors; and 10:30 a.m., sophomores. Freshmen will also report for physicals at 10:30, but will not be issued uniforms until later. Their practice starts September 1.

Coach Fred Bell will be putting a lot of faith in his seven returning lettermen to lead the squad through the season. To work with he has seniors John Berdine and Bob Hartnett, backfield men, and Jim Griffin, Henry Lanman and John Powley on the line. Two juniors appear in the lineup, Conrad Hultman, a back, and Dick Kremer, a lineman.

Other boys who saw action last year and are coming back include seniors Harry Brooker, Clarence Jenkins, Jim Mohnkern, Dave Swanson, and sophomore Louis Mascaro.

Several sophomores moving up from the Beaty squad are expected to make strong bids for varsity berths on this year's edition.

COLLEGE FOOTBALL

If you like the colorful game of collegiate football you will find a few promising games shaping up on television this fall. Here they are, date, game, and time.

September 22 - Kentucky vs. Georgia Tech, 3:15; September 29 - Colgate vs. Cornell, 1:45.

October 6 - TCU vs. Arkansas, 4:15; October 13 - Penn State vs. Holy Cross, 1:15; October 20 - Syracuse vs. Army, 1:45; October 27 - Notre Dame vs. Oklahoma U, 2:45.

November 3 - Navy vs. Notre Dame, 1:45; November 10 - Big Ten Teams to be announced; November 17 - Yale vs. Princeton, 1:15; November 22 - (Thanksgiving) Teams to be announced; November 24 - UCLA vs. Navy, 1:15.

December 1 - Army vs. Navy, 1:15; December 8 - Miami vs. Pitt, 2:15.

MODIFIED RACES TO START

Several local drivers and a number of top MARC (Midwest Association for Race Cars) stars will appear

at Skyline Speedway on Wednesday, night, August 15, for the opening of modified stock car racing at the Sugar Grove track.

The eight-event program with a 25-lap feature will include many of the racing pilots who appeared at the Dicky-Ben Speedway in 1953.

EVENTS AT SKYLINE

A re-run of a special 10-lap race between the high-point drivers and a 25-lap feature will figure high in the program at Skyline Speedway this Sunday night. Activities in the regular eight-event program will start at 8:30.

The latest release from the speedway shows the top ten men in the point standings as Jim Patrick, Squirt Johns, Warren's Emory Mahan, Gus Nelson, Joe Sauner, John McGinley, Don Bailey, John Seeley, Dean Layfield and Don Price. Patrick, of Conneaut, Ohio, holds a 38 point lead with 534.

NEW YORKER WINS HONORS

A Wellsville, N.Y., man, Dean Layfield, drove off with honors at Skyline Speedway last Sunday night. He was first to the checkered flag in the 25-lap feature, the match race and the consolation race. In the evening's main event Carl Forman, Smethport, and Jim Patrick, Conneaut, O., followed Layfield across the finish line in that order.

The match race was declared unofficial because of so many car substitutions and will be re-run this coming Sunday. The trophy will be presented at that time.

Other results Sunday were: Heat winners--Smith, Knapp and Stearns; semi winners--Mahan and Johns.

Modified racers will return to the raceway starting Wednesday, August 15.

MORE TROUT

Not only has the trout season been lengthened in Pennsylvania this year, but there should be a good supply of fish to be caught. Heavy rains, muddy and flooding water, plus a heavy stocking program should combine to leave many legal catches at the end of your line.

The state has planted 16 percent more trout this year than in 1955. The total has been 2,793,697. Nearly a million of these were placed in the streams after the season started. They ranged in size from 6-1/2 to 10-1/2 inches.

In Warren county the commission has dumped 3,800 brook trout, 5,000 browns, and 11,600 rainbows during the season.

Meanwhile, plans are moving forward for a more intensive fisheries program in the Allegheny National Forest. In this work the Pennsylvania Fish Commission, the U. S. Fish and Wildlife Service, and the U. S. Forest Service are combining forces.

Representatives of these groups met in Warren last week for a conference. Forest Supervisor E. M. Bacon announced that Joseph Boccardy, fisheries management advisor, who participated in the conference, will serve as special advisor and consultant in the national forest and will have an office in the Allegheny Forest headquarters, in Warren.

The resulting coordination is expected to insure maximum returns from state and federal stocking efforts.

EAGLES AT PYMATUNING

Two pairs of American Bald Eagles were successful in nesting in the Pymatuning area this season. One pair nested on a small island within the game refuge. These birds were forced to build a new nest this spring, as last season's aerie was destroyed by a late summer storm. The other pair nested in the western part of the lake in an area known as the Black Jack section. So reports Game Protector Raymond Sickles within whose district the Pymatuning

lies.

COOPERATIVE FOXES

(Ed. Note. - We have written that foxes are easy to trap. Here is proof.)

"Recently a farmer called to ask that a den of foxes be trapped off his land" reports Game Protector Arthur Biondi, Mercer County. "He showed me the den and I went to work. While setting the first trap I heard a fox bark, looked up and there sat three foxes on a big rock on the hillside. When I completed setting the first trap I moved about 200 feet around the hill, where I started setting number 2. While doing so I heard a fox yelp and knew it was fast in my first trap. When my second trap was in the ground I went back to number 1 and disposed of the fox it held. As I was resetting that trap I heard yelping at the set I had just made. I immediately went over to it and, sure enough, there was another fox. That was my best record -- two foxes in about ten minutes' time.

"After resetting the traps I placed 4 more. I then left the area and looked for another den on the opposite hillside. In about two hours I returned. In the traps were three young foxes and one old fox. The farmer had lost 21 chickens to this den of foxes and he was pleased and relieved to have the animals removed from his property."

"TIMID" GROUSE

A report from Game Protector Claude Kelsey reads: "Recently, while hunting crows in Clearfield County, accompanied by a sportsman, I drove my car around a curve on a dirt road. There, in the middle of the road, was a grouse with her young brood. I stopped the car and counted 13 little ones. They disappeared into the brush and we thought the show was over so I started the car.

"But when we arrived opposite the spot, the mamma hit my car and I stopped again. She kept right on hitting the car. Evidently one youngster had failed to keep up with the crowd. It started to chirp. I was

afraid to start for fear of running over the old bird. Soon the little one got across the road and joined the brood and all was peace and quiet again."

WOOD DUCK NESTS HIGH

"Engaged in edge cutting around a food plot on State Game Lands in Columbia County, members of the Food and Cover Corps felled an oak tree which showed no evidence of being occupied," reports Game Protector Mark Hagenbuch. "When the tree hit the ground, however, an almost perpendicular limb snapped off and a wood duck hen flew out. Examination of the nest disclosed eleven eggs, all fertile. The entrance to the nest was twenty-eight feet from the ground. The nest itself was six feet down in the limb. The most peculiar part of the whole incident was the fact the nest was on top of a mountain and good 'country mile' by air from the nearest water."

HOSE PROTECTS STRAWBERRIES

While making an official call in

Zerbe, Schuylkill County, Game Protector R. L. Shank noticed several pieces of black rubber hose lying about in a strawberry patch. Curious, he asked the owner of the property about it. Said Shank, "His story was as follows: Previously the man had experienced great damage to his strawberries by birds. One day he noticed the birds would not go into the patch. When he investigated he found a large blacksnake in the center of the patch. Since the snake could

not be persuaded to stay the man improvised with the rubber hose, which seemed to have the same effect on the birds."

GENERAL ELECTRIC Filter-Flo®
cleans and re-cleans the wash-water
to give you CLEANER clothes

FILTERS THE WASH WATER
5 TIMES IN A NORMAL
WASH CYCLE

This new General Electric washer circulates and filters the water at the rate of six gallons per minute . . . to give you whiter, brighter clothes.

As the Filter-Flo System circulates the water, sand, soap-scum and lint are removed to let only cleansed, sudsy water flow back into the washbasket.

50% MORE CAPACITY
THAN MANY OTHER
AUTOMATIC WASHERS

Big capacity. This G-E has over 50% more clothes capacity than many other automatics. And the Water Saver Control lets you select the water level you desire for small washes.

ALL THESE OTHER
SPECTACULAR FEATURES

- WATER SAVER CONTROL saves up to 20 gallons of water when washing small loads
- COMPLETE FLEXIBILITY in washing. Lighted controls allow you to stop, skip, extend or repeat any cycle
- ACTIVATOR WASHING ACTION. Clothes are dipped, flexed, and gently cleansed through 3 zones of action, gentle, medium and vigorous
- EXTRA CONVENIENCE. Filter serves as an efficient detergent dispenser.
- PUSH-BUTTON CONTROLS. Easiest method for selecting washing temperature, starting, stopping, etc.
- SPINS CLOTHES DRY. Many pieces dry enough to iron.
- 5-YEAR PROTECTION PLAN on sealed transmission.

TE LA DI O

AND STILL SMALLER

Add to the list of small cameras that will be tried at the conventions a model from Germany, weighing only ten ounces! It measures four inches in length and two inches in diameter. ABC will give it a whirl.

SMALL SUSPENSE

Our idea of a poor type of show to do a repeat during summer programming is the suspense drama. Hitchcock had one Sunday and the network must have lost many skip-viewers who are quick on the dial even at the best.

ZENITH SUES

Zenith is suing RCA, Western Electric, and General Electric for conspiring to monopolize world export sale of radio and television equipment. RCA answers that Zenith owes its growth to RCA inventions and technical aid, and if it is losing customers it must be due to poor management. Ouch!

NO CHANGE IN 1956

The alterations in channel assignments are not apt to happen before next year, according to the Wall Street Journal which never is very

far off where big business dope is concerned. At least no sweeping changes are expected.

This conforms with plans for a meeting in the fall to discuss the problem. If meetings are held in the fall, certainly the FCC is not apt to put through many major changes before 1957. Actually it probably won't happen until late in the winter or in the spring when the network programs are running out.

Important to us deep valley and fringe area viewers is the opinion of one FCC official who is quoted as wanting to be sure that UHF can serve smaller towns. That's our boy.

NBC TO ROXY

Several color tv studios would be created in the Roxy's largest theatre in the world, or one of the largest, if Rockefeller money develops Color City, which is adjacent to Radio City. NBC probably would move its headquarters to the new development. NBC already is looking at the blueprints, suggesting it is more than dream.

WHAT HAPPENED?

We haven't seen anything about the World Championship golf tournament which now is being played and which is sponsored by George S. May, who puts up \$50,000 first money. You don't do that for plain fun. The publicity is valuable.

Last year the finishing holes received a big play on tv. This year the Democrats are moving in. Mr. May apparently has been outbid by the poorer of the two parties.

IF YOU HAVEN'T HEARD

We doubt if we can tell you anything about the conventions coming up. The Democrats do it next week, and any tv or radio schedule will reveal a constant round of programs intended to keep you posted, even before they start. Such as Ear On Chicago, to be heard Saturday at 7:05 p. m. over WBEN.

ABC will be punching it through in major style over WGR. And it will have the facsimile idea about which we wrote previously. This allows current bulletins on convention developments to be placed on your screen without disturbing your current program.

Miles of wire, every big name in the news game, big and little cameras, and enough hot air to finally bring summer.

FOOTBALL AHEAD

Plenty of pro football is scheduled

for your tv screen this fall. The Cleveland Browns will be seen every Sunday on WBEN, and the New York Giants will be shown by WGR.

This Friday the All-Star game will be played, with 51 college boys under Curly Lambeau taking on Paul Brown's champions (without Graham). It was the all-star game last year that revealed how weak the Browns looked without Graham, and it wasn't long before he had been talked into another "one more season".

The game will be over WGR at 9:30.

MARY MARTIN

Mark down October 28 as a date for a good show. Mary Martin will be seen in Born Yesterday, the opening show for the Hallmark Hall of Fame series. It is the roll in which Judy Holliday was seen in the Oscar winning movie.

DIAL WHIRLS

ABC will have full command of the WGR programs next Tuesday. From then on it is a completely ABC station . . . No Football for WJAC or Pittsburgh Friday. It will be a lightweight scrap between Ludwig Lightburn and Orlando Zulueta, subbing for the postponed championship scrap, which has been moved to August 24.

What May couldn't do with his golf, the Buffalo Launch Club is doing with its International Regatta, Sunday afternoon. Convention or no, the event on Niagara River will come to you through WBEN live cameras on its mobile unit at 3:30. Skin divers and a Bell Helicopter will add some color.

Skin Trouble as suffered by teenagers will be the subject of this Saturday's University of Buffalo Round Table . . . Game of the Week sees Brooklyn meet Philly. Mistake of the week is the tv advance which said Robin Roberts of the Philadelphia Pirates will be interviewed.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Elmer Francis of Falconer announce the engagement of their youngest daughter, Marjorie Ellen, to Thomas F. Brown, only son of Mr. and Mrs. Francis Brown, 122 Elm St., Warren.

Miss Francis is a graduate of Falconer Central High School and is now employed by the Falconer G.L.F. Service. Mr. Brown served two years in the U. S. Army and is now employed by the Penn Furnace and Iron Co. A September wedding is planned.

Things to Come

CHAUTAUQUA HIGHLIGHTS

A variety of lectures, concerts, and operas are on the program for Chautauqua during the week starting Sunday, August 12 until Saturday, August 18.

Norman Cousins, editor of the "Saturday Review", will speak Monday through Friday at 10:45 a. m., using as his subject, "The Headwaters of Immortality". Friday evening, August 10, at 8:30 p. m., Secretary of Defense, Charles E. Wilson, will deliver an address in the Chautauqua amphitheater.

The Chautauqua Symphony Orchestra will have five soloists during the week. Donald Dickson, tenor, will be heard Sunday at 3 p. m., and Walter Hendl, pianist, will play for the "All-Mozart" program Tuesday at 4:30 p. m., and in the "All-Gershwin" program Wednesday at 8:30 p. m. Patricia Berlin, soprano, will sing with the orchestra Saturday at 8:30 p. m. A joint recital will be given by Mary Judd, soprano, and Hugh Thompson, baritone, Thursday evening at 8:30 p. m.

Two operas will be staged in Norton Memorial Hall - the first being "Robin Hood" by DeKoven, Monday evening at 8:30 p. m. "Rigoletto" by Verdi will begin at 8:30 p. m. Friday evening.

Special events include Old First Night, Tuesday, August 14, at 7:30 p. m. when ceremonies and traditions dating back to 1874 will be re-enacted commemorating Chautauqua Institution's place in religious and cultural leadership.

A BAVARIAN PARTY . . . has been planned for members of the Conewango Valley Country Club Saturday evening beginning at 5:30 p. m. The evening will start with a dinner followed by dancing.

THE BOY CHOIR . . . will travel to Pittsburgh Sunday, October 14, where they will entertain at the Pennsylvania Savings and Loan League Convention. The boys will sing at the Roosevelt Hotel.

TO DISCUSS JAMBOREE . . . The Jamboree Committee of the Chief Cornplanter Council of Boy Scouts will meet Thursday evening, August 16 in the offices of the Bell Telephone Company.

RETREATS FOR WOMEN . . . will take place at Mercyhurst college in Erie during the two week ends of August 17-19 and August 24-26. The retreats are open to women from St. Joseph's and the Holy Redeemer parishes and anyone interested may contact Mrs. Charles Musante, phone 4015.

HOT STOVE ALL-STARS . . . will be seen in action Saturday, August 11, on War Memorial Field

when 10 teams of Hot Stove all-stars representing five various divisions will play under the sponsorship of the Kiwanis Club.

The schedule of events goes as follows: 3:00, Bantams; 4:30 to 6:00, Midgets and Cadets; all three games on the small diamond. At 4:00, Intermediates, followed by Juniors; both games on the large diamond.

CLASS A CORPS . . . will march onto War Memorial Field Saturday evening, August 18, at 8 p. m. to compete in the American Legion Class A Drum and Bugle Corps Contest. Contest judges supplied by the "All American Judges Association" will decide the winners. Judges are Inspection - J. V. Scallise, Warren; Bugles - Edward Reis, Greenwich, Conn.; Marching and Maneuvering - John J. Clark, Tyronne; General Effects - Daniel F. Cook, Pittsburgh; William R. Floyd, Whiteboro, N. Y., and Edward V. Huth, Pittsburgh; Drumming - Edward Veaudry, Syracuse, N. Y.; Timekeepers - Jim Senger, Joe Massa and John Shaeffer, all of Warren.

The program will begin with an exhibition by the "Cornplanters" of the Warren American Legion Post 135 and a batontwirling demonstration by Miss Beverly Johnson, also of Warren. The corps participating in the contest are the

"Cavaliers" from Batavia, N. Y.; "Gavonaires", Mount Carmel, Pa.; "Rockets", Pittsburgh; and the "Black Knights", Lock Haven.

ATTENDING 4-H CLUB WEEK . . . at Penn State University from Monday, August 13 to Thursday, August 16 will be Mrs. Geraldine Johnston, extension home economist. Mrs. Johnston will judge the Crawford County Roundup on Friday, August 17.

PICNIC TIME . . . is here for members of the Golden Age Society. The group will board buses leaving the YWCA at 11:30 a. m. Tuesday, August 14, and will be taken to Wilder Field for a picnic. Each person is asked to bring a tureen and table service.

K. OF C. MEN . . . will feast at the annual stag picnic to take place at Blomquist's Island in North Warren Sunday, August 26. The picnic will begin at noon with the serving of barbecued chicken. Reservations should be made early by calling Benny Scallise, 2117-R or the K. of C. Council Rooms, 9816.

A FISHING EXCURSION . . . to Lake Erie Monday, August 13, has been planned by the Warren Playground for boys over 12. There will be a charge of \$2.50 per boy and this fee will cover chartering the bus which will leave at 4 p. m., and the fishing boat. If a father wishes to accompany his son; a charge of \$3.00 will be made. The boat will carry only 40 fishermen, so reservations will be on a first-

ROTARIANS DISTRICT GOVERNOR . . . Phil Hanauer will make his official club visit Monday, August 20.

The Fourth annual family picnic of the Rotary Club has been scheduled to be at Girl Scout Camp Bird-sall Edey Monday, August 13. The committee requests each to bring his own silverware.

EARL E. YOUNG & CO.
Youngsville, Pa.

IT HAPPENED AGAIN. This rd. intersection, was washed out early Monday morning for the second time within two weeks. Heavy rains during the night were the cause. bridge, located on Cobham Park rd., a short distance from Chapman

SEEMS UNBELIEVABLE. Yes, these large boulders were carried down Spring Run in the flash flood that hit the Quaker Hill rd. sector July 26th. At some places 10-foot ravines were tripled in size. The log bridge, located near the Fox Farm, was practically washed out as seen above.

TEN RATTLEERS are seen here in the hands of their killer, Joe Powers, of Kinzua. But Joe didn't kill them near Kinzua. He found them on the Penelec line between Mead and Matthews runs. He saw seventeen of them, killed fifteen, and managed to bring ten in. He said most of them were near logs, in the shade, and on the hill tops. He was walking line for the Penelec.

"Last One In's a Sissy!" IS UNHEARD OF HERE

No need for shouts of "Last one in's a sissy!" to spur youngsters into the water of a "play shower" . . . Even the tiniest tot doesn't fear its merry spray.

Parents who desire a simple, economical means of keeping the children cool during summer play hours, find in the household hose and sprinkler an ideal way of providing the kiddies with cool, clean fun despite the sun.

Warren Water Company

Hot Stove All-Star Teams Announced

It will be Hot Stove All-Star day in Warren on Saturday, August 11.

At this time, under the sponsorship of the Kiwanis Club, 10 teams of Hot Stove all-stars representing five various divisions will be seen in action on War Memorial field.

Jury Finds True Bill Against Hold - Up Suspect

The Grand Jury convened at the Warren County Court House Monday and found a true bill against Joseph S. Swartz, 22-year-old suspect in the \$11,000 armed hold-up of the Tidioute Bank on August 18. Trial for the West Middlesex man has been tentatively scheduled for October 1st.

Swartz was originally charged after being identified in a police line-up and was freed on \$5000 bail after a hearing before Justice of the Peace Fred Berry on April 30. Sufficient evidence was found against Swartz at that time.

The prosecution, headed by District Attorney Myer Kornreich, presented five witnesses to the jury on Monday. They formed a story claiming the defendant was near the scene of the hold-up on August 18 and the day prior.

The defense claims to have witnesses that saw Swartz at the time of the robbery.

6 Year Old Injured When Struck By Car

Six-Year-Old Rodney Bedney, 215 Eddy st., was seriously injured Wednesday afternoon when he was struck by an auto at the intersection of Market st. and Second ave. The driver of the auto was Mrs. Helen Heymann, 15 E. Wayne st. She was proceeding south on Market and turned right onto Second.

Rodney, who was walking ahead of his parents, Mr. and Mrs. Joseph Bedney, received a bruised leg, abrasions about the face, a fractured right clavicle and possible concussion.

WARREN NATIONAL GUARDSMEN leave for their annual 15-days training at Indiantown Gap on Sunday. The Company I personnel will leave here at 6:00 a.m. and will make the trip by chartered bus. The advance group departed Wednesday night.

COMPARE OUR OTHER VALUES — AND SAVE

BOTH OVERHEADS WILL LOOK ALIKE when the construction job, estimated to cost nearly \$8,000, is completed on the overhead near Youngsville. This overhead has boasted of cement walls for many years. Lives have been saved, no doubt, but traffic has been impeded and cross-country travelers have often avoided Warren County's section of the famous Roosevelt Highway.

Route 6 Traffic Hazard To Be Relieved In 1957

By Lewis Crippen

Warren County residents who have been stirred up recently over the future status of its main vehicular artery, Route 6, can take some consolation in the fact that the Public Utility Commission has ordered construction of cement walls on the overhead near Youngsville. The Department of Highways must meet the provisions of the order before July 1, 1957.

It cost several lives and the active interest of many citizens before the state was sufficiently aroused to investigate the lack of safety provisions on the most travelled highway in the county. When Mr. and Mrs. H. D. Haupin, of Corry, plunged to the tracks after breaking through the flimsy railing the county Granges took up the insistent cry for better protection. Their Christmas, 1953, tragic deaths caused an uproar which could not be ignored even in clamor-proof Harrisburg.

In April, 1955, the Public Utility Commission instituted an investigation of the bridge under provisions of the Public Utility Law. They were to determine if the bridge was unsafe for vehicular traffic.

A hearing was called on August 2, 1955, and as a result, the commission ordered the Department of Highways to prepare and submit for examination by interested parties a complete and general construction plan showing reconstruction of the curbing and railings on each side of the roadbed on the existing crossing and the estimated costs for making the improvement. The order was presented to the Highway Department on December 5, 1955 and they ran up \$263,53 in engineering costs determining that the bridge's substructure and superstructure could hold the additional weight caused by the proposed walls and making drawings of the suggestions.

On April 27, 1956, the Commission held a hearing in the Warren County Courthouse to present the plans to interested parties. It was disclosed by witnesses that the bridge had been built under the Public Service Commission's order of September 25, 1922 which was later amended by an order of January 8, 1934. Since the bridge is on Route 6, a primary highway crossing the entire northerly section of the Commonwealth, the traffic averages 4,275 vehicles per day. The Pennsylvania Railroad track has twelve freights and two passenger trains daily. The New York Central has two freights going under the bridge each day.

Witnesses at the hearing reported that the railings were not adequate to protect the traffic and that the bridge was particularly dangerous when wet or icy. The Highway Department reported that the curbings and metal railings are in deteriorated condition and that adding layers of blacktop had cut down the height of the curbs. NO COMPLAINTS were heard which questioned the adequacy of the bridge or that the substructure or superstructure needed alterations.

The Department of Highways estimated that the construction costs

would total \$7,620.80 plus the engineering expenses.

Following the hearing, the Public Utility Commission released the following eight-point order: (1) The plans of the highway department are accepted and the work is to begin. (2) Department of Highways is to furnish the materials and labor and maintain the walls after the work has been completed. The latter portion is a change -- the amendment of 1934 required that the railroads maintain the superstructure of the bridge exclusive of the roadway which was the Department's responsibility. (3) PRR and NYC to maintain their own flagmen or watchmen to protect their own operations during the construction period. (4) The work must be completed by July 1, 1957. (5) Cooperation must be maintained between Department and railroads so that rail traffic can continue during time of construction. (6) Department of Highways to accept responsibility for possible damages to private property. (7) Pennsylvania Railroad to pay \$1,200 for its share of the construction costs. (8) New York Central to pay \$1,200 for its share of the construction costs.

No one will agree that the improvements completely eliminate the traffic hazard. On the other hand, all will agree that the decision of the Public Utility Commission is better than no action at all. Lives, no doubt, will be saved but surely the two walls over the bridge will not encourage travelers to risk Route 6 through Warren County.

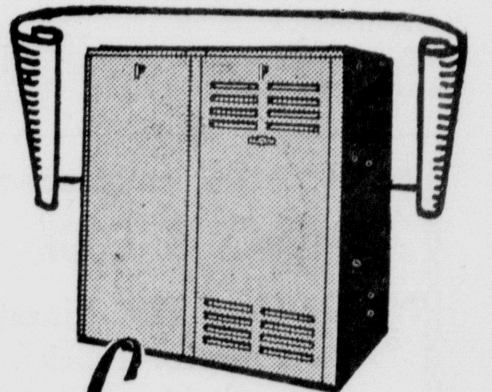

With a widening and resurfacing program between the Lily Pond crossing and the next overhead, and improvements to the Youngsville overhead, it seems that the longed-for relocation of Route 6 between Warren and Youngsville is being pushed further into the dim future. What shall we do about Route 6? It seems reasonable that we should stop spending money on temporary alleviations of hazards and build a road that will side-step all the hazards and encourage Warren County traffic.

How long will it take by piecemeal action to eliminate the dangerous F&N crossing at the western boundary of Warren, do away with the S-crossing at the Lily Pond, make the overheads safe for

THE RAILING WILL BE GONE and cement walls will protect the traffic which crosses this bridge after July 1, 1957. The Public Utility Commission has ordered the improvement. Is it the final answer in relieving the traffic hazard?

modern 50-miles-per-hour traffic, widen the Irvine bridge, eliminate the crossing and sharp curve in Irvine? One thorough job of relocation will make Warren County's most travelled route safe for ourselves and our visitors and will cost less in the final analysis.

Fascism Creeps Up

By Inez Robb

Are the civil liberties handed us on a silver platter by our embattled ancestors to be lost by default in this generation to creeping Fascism?

Are we, the inheritors of the proud tradition of individual liberty and freedom of conscience, so lost to reason and honor that we will stand idle while the Bill of Rights is gutted?

Since World War II and the advent of McCarthyism, the very phrase "civil liberties" has become in many quarters two of the dirtiest words in our language. The crackpots and lunatic fringe of the extreme right have transmuted that golden phrase into the base metal of subversion and equated it, in their addled heads, with Communism.

But no blow struck at civil liberties is as sinister or as asinine as that dealt by the State Senate of New Jersey.

The State Senate's Republican majority has refused to confirm the appointment of Judge John Ogden Bigelow, a distinguished jurist, lawyer and citizen of the state, to the board of governors of Rutgers University solely because he represented a client who took recourse in the Fifth Amendment.

(It is completely beside the point that the 70-year-old jurist assumed the defense of this controversial client at the request of the Essex County Bar Association.)

Does this incredible action on the part of the Republican majority foreshadow the time:

(1) When a lawyer is to be assumed guilty of the crimes with which his client is charged?

(2) When that great bulwark of Anglo-Saxon justice, the assumption of innocence until proved guilty, is denied the accused and both he and his attorney are held guilty until proved innocent?

(3) When a man and his attorney in an unpopular cause can be hounded

ed from society, even before a case is settled?

Does this predict a time in the near future when a man accused in a cause repugnant to popular opinion will be unable to obtain counsel, and thus be denied justice, because the legal profession will shy from the presumption of guilt by association?

You say this is nonsense? Yet these are the implications plainly and boldly written in the action of the New Jersey Senate majority.

How else can you interpret the idiotic, soap-opera statement of Wayne Dumont, Jr., president of the Senate, in these self-serving words: "I would never have represented the type of client Judge Bigelow

chose to represent. This is an issue bigger than either the Senate or Judge Bigelow."

This from the man who presides over the Senate of the first state in the nation to ratify the Bill of Rights!

Communism is an ever-present danger. But so is creeping Fascism. They are merely the op-

posite faces of the same counterfeit coin.

ANOTHER VIEW of the Jackson Run bridge that was threatened during the week end storm. Undermining caused this cave-in from the top.

ON THE RAMPAGE went Glade Run early Monday morning, but not so bad this time. Here you see where the run (far background) left its bed and overflowed onto the E. L. Jespersen property on Cobham Park rd. To the photographer's left the stream made a lake in the front yard of the A. Michel home.

Fortunately the run remained confined in the Locust st. area.

WATER, ROCK AND GRAVEL rolled off the hills on to Jackson Run early Monday morning, causing the highway department to engage equipment to clean off the highway.

This is the property of Todd Albaugh, where heavy rains continuously raise havoc. Before the downpour there was a driveway at the right. Here you see it covered with boulders.

STRANDED IN FLOOD. The July 26th flash flood that hit Glade Run severely made the Carl Thelin residence at 26 Mead st nearly inaccessible. This picture shows the remains of the bridge used to cross the run. Note at the left how the rushing water widened the bed. The bridge itself rests some 100 feet down stream.

The two hoses seen running across the stream provided gas and water for the family.

ERNEST F. BLAIR

H. R. Logan, general manager of the Emblem Oil Co., has announced that Ernest F. Blair has been engaged by the company in the capacity of service station supervisor.

Mr. Blair served with the U. S. Navy during World War II, was formerly employed in the laboratory of the United Refining Co., and has had extensive experience in the marketing of petroleum products. For a number of years he specialized in both industrial and service station sales and until last year was the distributor for a major oil company in this area.

PRELIMINARY PLANS. Members of the Elks bowling committee met at the club house Monday evening to continue preliminary plans for the coming season. League competition

will open the latter part of September and registration cards will be mailed in the near future.

Pictured here discussing the league are (l. to r.) Glen Grosch,

trustee; Richard Schumacher, exalter ruler; Gib Hanson, league secretary; Wilbur Riggs, league chairman; and Fred Beyer, league vice president. Treasurer Allen Anderson is not pictured.

LAWRENCE "RED" FARR

The proprietor of Farr's Barber and Sporting Goods Shop at 3 Prospect st., Lawrence "Red" Farr, played a big role in stopping a robbery at his business establishment Monday evening.

It all started when Miss Mary Topper, a neighbor on Prospect st., heard glass break at the location of the store and noticed a man tampering at the shop door. She in turn notified the Chevrolet garage nearby and personnel there put a call through to Mr. Farr who resides on 111 Parker st.

At the same time R. P. Branch, St. Petersburg, Fla., and formerly of Warren, noticed the man and followed the thief after he broke the window.

Moments after, the burglar, later identified as Arthur Wilson, about 40, formerly of Pittsburgh and now living in Warren, returned to the scene. He was attempting to open the door as Mr. Farr, who had already arrived at his shop, and Mr. Branch, finishing his trailing job, apprehended him. Police officer William Hewitt, who had been notified in the meantime, arrived moments later to find Wilson well under hand.

INSPECTION AND REGISTRATION at the Bicycle Road-e-o Wednesday were handled by (l. to r.) Officer Roger Thelin, Jack Roberts, Playground Director Fred Bell and Jaycee President Robert Geiger. Officer Thelin, who was in charge of inspecting the bicycles, should be

commended for the informal talks he carried on with waiting contestants. He capably explained safety precautions and borough rules regarding bicycling to the youngsters, as well as the physical condition of their two-wheelers.

IT HAS BEEN said that the Warren Hot Stove League should produce many professional baseball players. This in itself is commendable but that is not the goal of the league. All boys would like to hit like Stan Musial, pitch like Bob Friend or be the classy fielder that Phil Rizzuto is, and in the

Hot Stove League they do just those things. For, playing in their class against boys of their own age, we see grade school, junior-high, and high school counterparts of the big leaguers and at the same time they have a whale of a lot of summer fun playing the great game of baseball.

SWISH!!! In goes the pitch for a strike. This is the kind of action you will see at the Hot Stove League all-star games that will be held at War Memorial Field Saturday afternoon and evening under the sponsorship of the Warren Kiwanis Club.

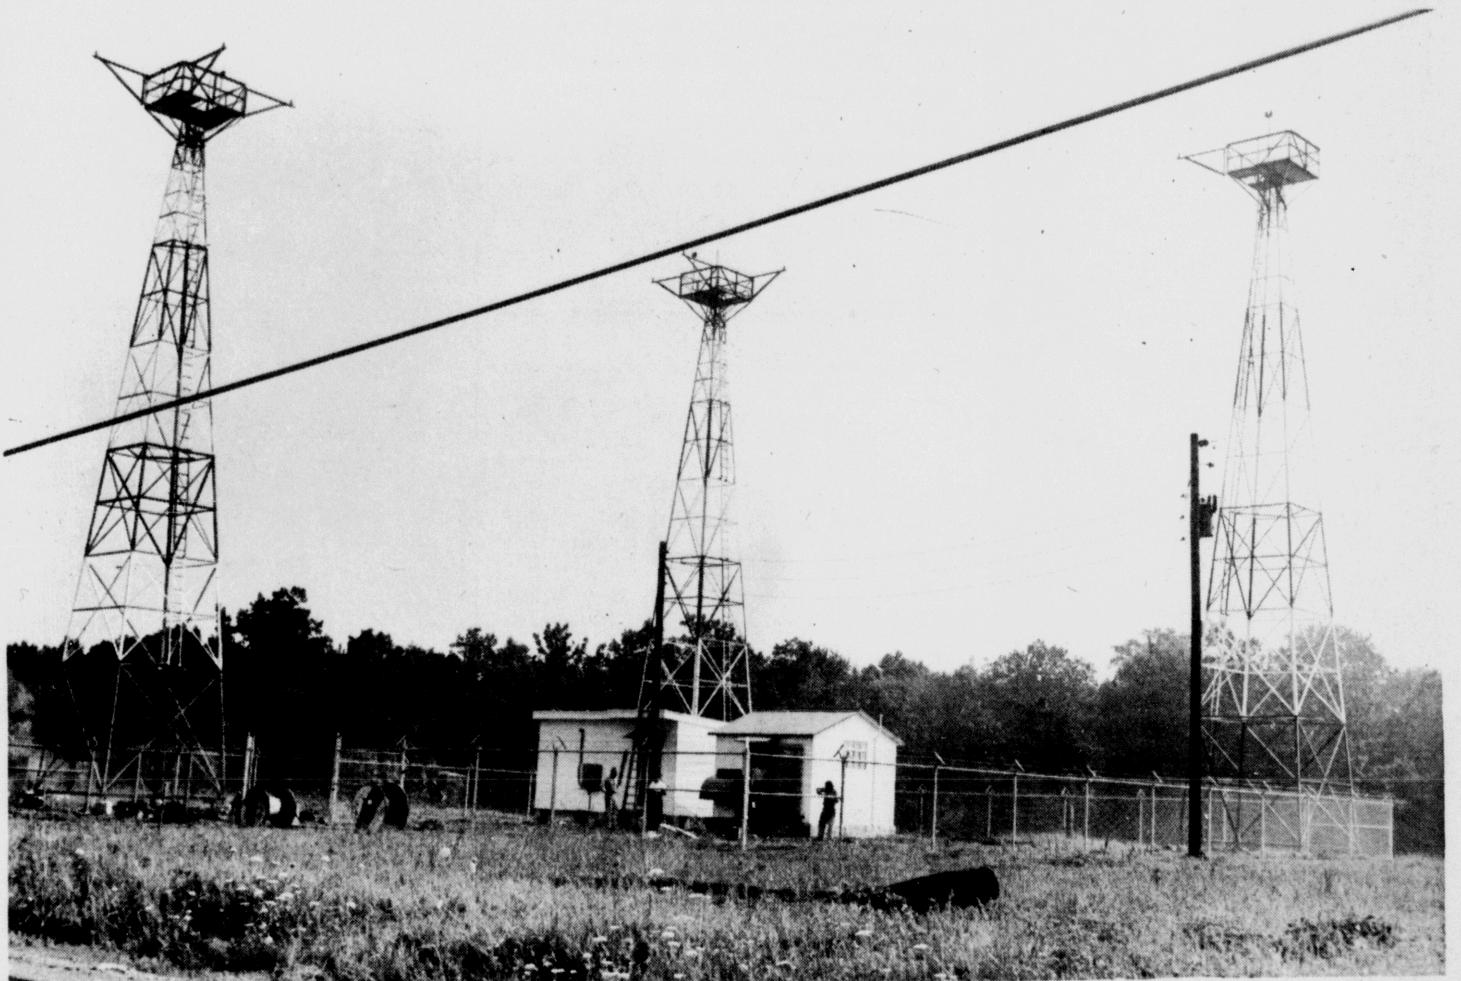

GIRLS DOMINATE ROAD-E-O. The fairer sex showed the boys off at the second annual Jaycee-Playground Bicycle Road-e-o held at Beaty parking lot Wednesday afternoon. Of the six winners in two divisions, four were young ladies.

The awards for the contest went to (l. to r.) Brina Munson, 14, and Ellen Kenny, 14, both of Crescent,

tied for second; Susan Werner, 13, Beaty, first place, in the 13-16 age group; Jim Casler, 12, Memorial, first; Philip Cooper, 12, Memorial, and Jean Tickner, 10, Lacy, tied for second in the 12 and under age group. Jaycee Chairman Dan Shreves is at the right.

The prizes given were from local merchants.

UHF STATION. Three 75 foot communication towers now range over Hearts Content, about 11 miles outside of Warren. Here you see the remote control, UHF station that is controlled out of Cleveland, O., and works in conjunction with long range radar.

The new station, which permits contact with airplanes after radar pick-up, is scheduled to go into operation in the next few days. It

operates under commercial power, but has a standby unit in case of emergency.

It is a Civil Aeronautics project for both civil and military use. The government engineer is Victor J. Scaperoth; Harold Streit, Congress, N. Y., was the general contractor; and Bevevino Electric, Warren, had the electrical contract.

GRACE FOR CONGRESS campaign began in earnest on Wednesday, August 1, when financial and publicity chairmen gathered at the Cook's Forest Inn to map plans for future activities. In this photo (in the foreground) the publicity group discusses the most potent methods of bringing the Democratic candidate into the limelight.

Seated around the table clockwise are: Elsie Whitton, of Tionesta, representing Forest County; William B. Kauffman, of Oil City, Venango County; Walter L. Smith, of Clarion Newspapers, Inc., Clarion, Clarion County; Mrs. Grace Sloan, a Clarion housewife, who is the Democratic candidate; and Mrs. John Cartwright, of Ridgway,

Elk County. In the background can be seen Frank Fago, Thomas Conway, of Warren County, and John Cartwright, of Elk County, who are members of the financial committee. Warren County's publicity chairman is Lewis L. Crippen who acted as photographer in this instance.

NIGHT PEOPLE

It looks as if the day people have won again against the night people. Jean Shepherd, patron saint of the night people, who talks and only occasionally plays records over WOR, New York, from 1 to 5:30 a. m., seven days a week, is going off the air August 13 because night people apparently don't buy things.

Shepherd more or less invented the term night people and day people and frequently on his four-and-a-half-hour nightly talkathon defines them. "There's a great body of people who flower at night, who feel night is their time. Night is the time people truly become individuals because all the familiar things are dark and done, all the restrictions on freedom are removed. Many artists work at night -- it is peculiarly conducive to creative work. Many of us attuned to night are not artists but are embattled against the official, organized, righteous day people who are completely bound by their switchboards and their red tape." Day people, he says, invented red tape because they feel secure in it, because then they can blame not themselves but the system. "Night people like the quiet darkness; day people are terrified at suddenly becoming individuals, afraid to let the mind probe into unknown areas."

If you listen to Shepherd any length of time, you will find the night people definitely feel persecuted by the day people and get their biggest thrill when, if only for a moment, they can win a victory over them. Shepherd may tell a story of his army days when a recruit, bored by physical training exercises, just walked off into a swamp, followed shortly by forty-five others, a revolt against authority deeply satisfying the night people.

Biggest coup of the night people -- and Shepherd -- was to invent a book which was designed to shake the faith of the day people in their "lists," their regimented lives. Out of hundreds of suggested titles, he picked, "I, Libertine." The non-existent author was named Frederick R. Ewing, "because it sounded official." Ewing even acquired a background -- Oxford graduate, former "Manchester Guardian" correspondent, who had once delivered talks on the BBC on 18th Century Erotica. During the war Ewing was stationed on a mine-sweeper in the North Atlantic, "because all British officers were on minesweepers in the North Atlantic during the war."

Presently night people began badgering book clerks for "I, Libertine" by Frederick R. Ewing (ghost written by Theodore Sturgeon and Jean Shepherd) will be published the middle of next month. Quite a coup for the night people.

When not talking about "I, Libertine," Shepherd may muse about how difficult it would be to explain Coney Island to an anthropologist from Venus. (It would be even more difficult to explain Shepherd) about the vital role played by the Flexible Flyer in America's cultural renaissance, or about supersonic commercials which are inaudible but which suddenly drive you out to buy Copenhagen schnapps in the middle of the night.

"This is WOR. We have records," he says from time to time, but you're not likely to hear much music. Fragments of jazz -- very good jazz, too -- suddenly pop in without introduction or explanation, but they are soon succeeded by Shepherd whose gift for uninterrupted monologue is one of the wonders of the world.

What he talks about would drive a psychiatrist to another psychiatrist. He'll tell you about having "the monkey on his back" for papaya juice, about how, when "the tiger which lurks just below the surface in all of us," got to raging in him, he would quiet himself by invading

STEIN'S

chile parlors in Chicago and downing three quick bowls of chile.

"One of the most effective balms for the soul is to spend six months out of work right here in Manhattan," he says with an authority which suggests that he's done just that. The way things are going he may have to do it again. Shepherd has built up a tremendously devoted band of followers for his nocturnal, dreamlike outpourings, but the station insists he isn't commercial -- which is to say, night people don't buy things.

WOR is seeking a fifteen-minute across-the-board spot for him in the daytime, but hasn't managed to come up with one yet. Even if it could, such a program is very much a "day people" sort of thing and it is hard to tell whether he'd flourish there as he does at night. Or whether he could even get started in fifteen minutes.

"YOU'VE SEEN THE REST, NOW SEE THE BEST"

UNITED STATES MARSHAL'S SALE

Abstract of property taken in execution upon the writ shown at the number and term shown, as the property of the named defendant, owner or reputed owner, and to be sold by Albert DiMeolo, United States Marshal for the Western District of Pennsylvania, on Thursday, September 27, 1956 at 10:00 o'clock A. M., E.D.S.T. at location of property described below.

CONDITIONS OF SALE:

Successful bidder will pay full amount of bid at time of sale, otherwise the property will be resold; provided that he may pay ten (10) percent of purchase price (but not less than \$30,000.00) at time of sale and the balance on or before Monday, October 9, 1956 at 10:00 o'clock A. M. E.S.T. at the United States Marshal's Office, 810 New Federal Building, Pittsburgh 19, Pennsylvania, at which time the property will be resold if the balance is not paid and in such case all monies paid in at original sale shall be applied to any deficiency in the price at which property is resold; provided, however, that in the event the Federal Housing Commissioner is the successful bidder at the sale the necessity for the deposit of the ten per cent of the purchase price shall be waived; and provided further that if successful bidder is the plaintiff in the execution the amount of his bid shall be applied in reduction of the amount of the judgment and he shall not be obliged to pay the amount of his bid, otherwise writ will be returned "real estate unsold" and all monies advanced by plaintiff will be applied as required by the Chief Judge of the United States District Court for the Western District of Pennsylvania. Before the deed will be executed and acknowledged, purchasers must furnish to the United States Marshal for the Western District of Pennsylvania the State Stamps required by "The Realty Transfer Tax Act" and Tax Stamps required by the Borough of Warren in a Deed Transfer Tax. The Federal Housing Commissioner is exempt from the payment of any of these taxes and therefore this requirement is not applicable if the Federal Housing Commissioner is the successful bidder.

BOROUGH OF WARREN, County of Warren, Commonwealth of Penna., bounded and described as follows: Commencing in the West line of Market Street at the North-east corner of land formerly of Francis Henry, now Warren Public Library Association; thence along said land and land now or formerly of Liberty Realty Corporation South 75 degrees 42 minutes West 288.75 ft. more or less to land now or formerly of the Floridin Company; thence along same North 11 degrees 18 minutes West 58.25 feet more or less to the Southerly line of In Lot No. 191 in the general plan of said Borough; thence along same North 78 degrees 42 minutes East 55 feet to the Southeast corner thereof; thence continuing along the East line of said In Lot North 11 degrees 18 minutes West 22.25 feet to land now or formerly of W. M. Baker; thence along same North 78 degrees 42 minutes East 40 feet to line of land conveyed by Herbert P. Stone, et ux, to Ethel W. Fisher, et al, by deed dated July 13, 1950 and to be recorded; thence along same North 11 degrees 18 minutes West 19.25 feet to a stake in said line; thence through said land and along land now or formerly of Paul B. Stewart North 78 degrees 42 minutes East 193.75 feet to the West line of Market Street aforesaid and thence along same South 11 degrees 18 minutes East 99.75 feet to the land of Warren Public Library Association aforesaid at the place of beginning.

August 9, 16, 23, 1956 3t

Women can keep a secret just as well as men, but it generally takes more of them to do it.

If you want to be sure you will hear the phone ringing while you're upstairs, put the instrument on top of an overturned tin pan.

AN UNDERNEATH VIEW of the Cobham Park bridge that was undermined again this week.

Hard work is an accumulation of easy things you didn't do when you should have.

SAVE TIME ON YOUR
OUT-OF-TOWN CALLS

CALL BY NUMBER

When you *call by number*, the operator can put your call straight through to the out-of-town telephone you want. She doesn't have to detour it through Information in the distant city. Your calls go through faster—often twice as fast.

We'll be happy to give you a copy of "The Blue Book of Telephone Numbers"—a handy little booklet in which you can list the out-of-town numbers you may have occasion to call. Just ask our Business Office for your free copy.

THE BELL TELEPHONE COMPANY OF PENNSYLVANIA

OFF!
Bermuda
Miami
Havana
Cairo

The day of your departure will be here before you know it! Almost as in a dream, you will actually be off.

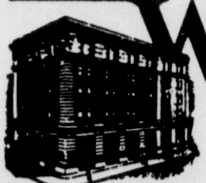

But one little thing you will need before you take that trip. Money!

Why not open a special savings account for that trip to Europe, South America or across the continent?

Weigh what you really want; for what is your money worth the most? For peanuts or Paris? For joy rides or a ride across the ocean?

Save before you spend, and you'll get there. And "there" in your case may be London or Rome, or it may be a home of your own or a business of your own.
